McCusker
LEARNING AND DEVELOPMENT

McCusker Learning and Development (MLD) is a recognised leader in providing high quality and interesting training in the Community Services and Health sector to support better care for older Australians.

We are:

- Experienced
- Committed to the industry
- Dedicated to helping our clients provide the best care possible to elderly Australians

Our staff are experienced in providing direct care and have chosen to facilitate others in learning and developing their own knowledge and that of their organisation.

As a Registered Training Organisation (RTO) our training includes nationally recognised qualifications as well as specialised training course opportunities:

- [Certificate III in Aged Care](#)
- [Certificate III in Home and Community Care](#)
- [Certificate IV in Aged Care](#)
- [Certificate IV in Home and Community Care](#)
- [Certificate IV in Leisure and Health](#)

McCusker's holistic approach for workplace requirements means our clients are provided with customised training to meet their needs. We provide solutions to meet specific training requirements, the strategic framework and skilled resources to meet practical and measurable results.

McCusker prides themselves on being able to find the most suitable funding model for you and your employee by:

- Identifying State and Federal Government Incentives (examples in table below)
- Sourcing funding opportunities most appropriate for learners and organisational needs
- Providing ongoing monitoring and support
